

For Jesus. For STM.

Our 2025 PSA appeal has begun!

Being Catholic means being part of a greater mission beyond our parish life.
It makes you an integral part of the Diocese of Orange.

The Pastoral Service Appeal (PSA) unites us in supporting all aspects of Catholic life in our community—Catholic education, clergy formation, and vital services for those in need.

We encourage every household to participate in this appeal.
No gift is too great or too small.

Our goal this year is for every parish family to make a pledge in some form.
Once we meet our assessment of \$137,000,
all additional donations will be returned to enhance our parish life here at STM.

PSA envelopes are available at the tables outside after Mass,
or you can donate directly using this QR code.

Please prayerfully consider how your family can respond
to this call to carry on Christ's work in our church and community.

SCAN TO DONATE.

Thank you so much!
