My Dear People,

**Today's theme on the Readings: THE GIFT OF PEACE**

“There arose no little dissension and debate.” Did that happen at work this week? Most of us can recall run-ins with coworkers, even with the boss. Did it happen while socializing with friends? Go easy on politics, religion . . . even sports. At home? Even the most peaceful household experiences a little “give and take” now and then. So where was it that “there arose no little dissension and debate”? That tumultuous conflict occurred among our first Christian ancestors, disrupting the community life of the early church. But today's Acts of the Apostles shows how beautifully the Holy Spirit, promised by Jesus in today's Gospel, helped the church achieve a grace-filled resolution. What evolved was that “reconciled diversity,” often encouraged by Pope Francis and even envisioned in today's Revelation passage; and a wondrous experience of Jesus' promised Gospel gift: “Peace I leave with you; my peace I give to you.” Copyright © J. S. Paluch Co.

In Christ,  
Father John

This year those activities include: support for our local seminarians, for the American Heart Association, the Autism Society of America, the local Right to Life programs, lunches for the homeless, scholarships for local students in need, and various other charitable concerns. This year, we also pledged to donate half of the funds to the *Believe and Grow Together* Capital Campaign at St. Thomas More. A check in the amount of \$563 has been given to the parish for the campaign. We want to thank everyone who contributed to making our fundraiser so successful. **TREASURES FROM OUR TRADITION**

Why is it still Easter? The lilies have long since faded. The roots of our tradition of fifty days of rejoicing from Easter to Pentecost lie in the seven-day rhythm of the Jewish week, drawn from the six days of creation plus a Sabbath day. A favorite name for the Lord's Day among our ancestors in the faith was "The Eighth Day," meaning that in Christ a breakthrough to a new humanity was achieved. With that inner architecture, it makes sense to see Pentecost as a week of weeks, forty-nine days plus one, again signaling that a new age has begun in Christ and the outpouring of his Spirit. The Jewish appreciation for Pentecost gave rise to the Jubilee year, the fiftieth year, when debts were released and prisoners set free. Today, the character of our Easter Sundays is conveyed by joyful Alleluias and the rite of sprinkling at Mass. Long ago, people expressed this joy by suspending all rules of fasting and by never kneeling at liturgy.

These customs all point to our conviction that time is holy. There is an elegant balance to the Christian year: forty days of Lenten fast and discipline give way to fifty days of unrestrained rejoicing. That's why it is still Easter!

ROMAN CATHOLIC DIOCESE OF ORANGE

**TLM (Tridentine Latin Mass) Community Potluck and Presentation**

**Sunday, June 2, 2019**

**St. John the Baptist**  
1015 Baker St.  
Costa Mesa, CA , Sponsored by Una Voce

**12:30pm Tridentine Mass followed by potluck in the hall**

- To inform all who are interested in finding out more about the ancient Mass, its beginnings, its growth, its magnificence
- To understand why so many young and faithful Catholics and their families are choosing to drive 45-60 minutes to be able to participate in this glorious celebration of our faith.
- To unite all those who love and regularly assist at the Traditional Tridentine Latin Mass
- To create a community for believers to evangelize the world; to promote and proclaim the history of our Catholic devotions and the truths of the faith

We hope also to unite those from all over Southern California who have come to love the Tridentine Mass in all its glory! Breaking bread, sharing stories and building a community to keep the faith—so that when He returns, He will find the faith!
