Quotes from our donors...

“Contributing once again to St. Thomas More’s new church building helps to ensure that our good Lord will finally have the “sacred space” that He is deserving of. It is a privilege and also our small way of thanking God for the many blessings that he has bestowed on us.”
- Terry & Kathy McGaughan

“Our family recommitted our pledge for the building of the new church because of the matching program. We feel that if someone cares so much that they match our gifts, then we can give more. In my life, I found that I could never out-give God... whatever I give to Him whether it’s time or money, He gives me back 100- fold. It’s been proven again and again.” - **Tina Le**

“We are made up of many diversities, but have ONE goal: to build a beautiful church for all of our St. Thomas More families.” - **Sgt. Bob Kohler**

“It is time that we work together to build our church, our future new home. When we show solidarity, there is nothing we cannot achieve.”- **Jean Navarro**
