

“AMEN I SAY TO YOU, I DO NOT KNOW YOU.”

November 8, 2020

Maybe a better way to say it would be “YOU DO NOT KNOW ME”

Know what I am about. Actively participate in my work.

What do we need to be able to know Jesus?

Our first reading from the book of Wisdom gives us **reasons** to seek wisdom.

I am talking about a heavenly wisdom; a gift from God.

Heavenly Wisdom has certain characteristics:

- 1- It is hallowed and sacred and has no double meaning.
- 2- It is peaceable and free from dissension.
- 3- It is reasonable and non-violent.
- 4- It is persuadable which reflects the posture of the soul.
- 5- It is compassionate which burst into fruits of goodness.
- 6- It is non-partisan.
- 7- It is free from hypocrisy.

BE PRUDENT – be prepared

It will not disappoint!

Taking thought of Wisdom is the perfection of prudence.

Those who prepare this way will be free from care.

When we turn to God to seek help negotiating life’s turns and twists
