Center for Spiritual Development is responding to the needs of women who feel a ***desire*** and ***call to explore*** religious life by offering a series of monthly education and reflection days (via Zoom) on different aspects of religious life. ***We invite you*** to join a group of women, who like yourself, are exploring and discerning where God is calling them.

By ***coming together***, discover how to discern a call to religious life and to which religious community. Grow in your relationship with God by learning different styles of prayer. Learn about different “charisms.” Focus on varying aspects of religious life: ministry and community life, prayer and Eucharist, and the vows of poverty, celibate chastity and obedience.

About the Series

This series is offered through the Center for Spiritual Development. Each session will begin with prayer at 10 a.m. and conclude by noon. A booklet on each topic is included for further study and reflection. There is no fee. This program is supported by Bishop Freyer in the Diocese of Orange, the Serra Club and an anonymous donor.
